I think I would be a good addition to the Tawas Area High School National Honor Society because I have always tried to be a good person in my community. I would do my best to live up to the expectations of the NHS which includes keeping my grades up, doing my best in sports, and continuing to do the volunteer work I have always participated in. I’m a dependable person and every group needs someone they can count on.

VII. Compose a short paragraph explaining your plans for the future (educational plans, field of study, college planned to attend and occupational goals). You may use the back of this paper or a separate unlined sheet of paper.

After graduation from high school, I plan on continuing my schooling to become a veterinarian. I love animals and with a job like this I can be around animals all day whether of pay or not.
